To Whom It May Concern,

Scholarship Reference Letter to Jiaxing Hu

It is my pleasure to write this letter in support of Jiaxing Hu and his application for a scholarship at your university. I have had the privilege of knowing him through Mt Albert Baptist Church over the past two years and have witnessed his outstanding character, servant-hearted attitude, and exceptional initiative.

Jiaxing has volunteered with us for about two years, serving alongside the tech team to run the sound, visual, and lighting system for our Sunday services.

What has particularly impressed us is his remarkable combination of technical ability and a genuine heart for serving the community. Recognising that many people in our congregation are migrants, he recently designed and developed an artificial intelligence-based translation system "Ezyspeech", capable of providing real-time translation in more than 20 languages during our Sunday services. This innovative solution has significantly improved accessibility and inclusion, enabling people from diverse linguistic backgrounds to participate more proactively in worship and understand the message being shared.

This project is far more than a technical exercise. It required creativity, perseverance, problem-solving, and countless hours of learning, testing, and refining the system. Throughout the process, Jiaxing worked collaboratively with the team, listened carefully to feedback, and continually improved the system to better serve our congregation.

In addition to his technical talents, Jiaxing is respectful, trustworthy, and approachable. He relates well to people of all ages, accepts responsibility with enthusiasm, and consistently demonstrates humility despite his considerable abilities. He is the kind of young person who quietly seeks opportunities to contribute without expecting recognition.

I have every confidence that Jiaxing will make a meaningful contribution to your university community. I believe he has tremendous potential not only to excel academically but also to use his talents to make a positive impact on society.

I recommend Jiaxing without reservation for your scholarship programme. Should you require any further information, please feel free to contact me by email finance@mabc.org.nz, or mobile 021 346 818.

Yours faithfully,

Frank Zhang
